We have the pleasure to host a visit from **Brett Gannaway, Executive Director, AustCham Thailand**. Brett, a fellow sandgroper can give you all the insights about “Doing Business with Thailand”

We expect to have Arwee from Auswathai Bangkok in attendance to provide language translation and presentation about the Aus & Thai hosted seminar 18/11 as well as the latest development for the inevitable success of “Aussie Execs Tours Bangkok”.

The meeting is relying on the delivery of Media material from the Co hosted Aus & Thai Govt., hosted Seminar [2010-11 Co hosted Aus & Thai Govt Seminar "making TAFTA work for you"](#)

We have drafted a meeting date for 17/12/2010 – to be confirmed

Venue: my office in South Perth.

The Boardroom can accommodate 25 people

30/11/2010 – from queries we confirm translation will include illustration of several Thai websites and translation is available on sites of your interest.

Aussie Exec Tours Bangkok is underway with our 1st tour 28/11/2010

On board is a mix of Execs (mainly gals) to test the dynamics of the tour.

We are pleased to be host to tour attendees

1. Ken Yap – Assistant professor Marketing UWA (University) Perth
2. Noel carter – Committee member WA Turf Club

This tour has also brought a special connection for WA, we have delivered a donation of Baby clothes and money for Sister Joan, a WA Nun providing care for the Thai Children from the “Slaughter house” trip. If a 76 year old can muster provisions for the needed then I’m sure we can do a little bit to help from WA.

Please email your expression of interest to attend

Phill Smith
